CoilBind ColourCoils

Overview

CoilBind combines the convenience of 360 degree page turning with flexibility and light weight materials, thus making it great for documents requiring posting.

Features

- Light weight yet strong - easily binds large documents securely
- Wide range of colours - great for mixing and matching with GBC binding covers or for shelf recognition
- 7 capacities from 6mm to 18mm - binds up to 145 sheets (80gsm paper)
- Flexible design - perfectly suited to documents requiring posting and will not fade or crack over time
- Full 360 degrees page rotation - makes it easier to read, take notes or photocopy the document
- High page security - page changing is only possible by cutting and unwinding the Coil
